

Redefining the Future of Work

Welcome to Accredible:

Where the world's most awesome people come to create, collaborate, and celebrate achievements.

A Culture That Inspires Learning

Here learning is not just encouraged, it's contagious! We invest in your interests and passions so you can show up powerfully in the world.

As an Accredible team member, you'll enjoy:

- 2 hours of paid time every week to learn anything you choose
 - A healthy budget to spend on learning courses or materials
 - A workplace environment that is fueled by your contributions
-

A Company Designed Around Your Life

Your work should fit seamlessly into your life - not the other way around. At Accredible, we honor your time and give you the independence to:

Work flexible hours

Design where and how you work

Structure your time based on how you thrive

A Team Committed to Your Development

Where you work is an extension of your family – that’s how we see it at Accredible! **When you join your team, you’ll have instant access to our:**

Quarterly employee mentorship program to elevate your skills in any area

Happiness committee who find ways to increase your enjoyment at work

Professional development planning resources to map out your career path

A Role Designed to Uplift & Support You

We are invested in your health, wellness, and happiness. Our Accredible principle is to pour into our team members so they can perform at their highest level. **You’ll enjoy:**

- A high-energy, collaborative, and supportive work community
- The chance to work with a global team that’s leading the industry
- The ability to be on the forefront of educational technology
- Being a part of a remote company focused on work-life harmony
- A high-growth organization that provides solid career and financial stability
- Unparalleled health insurance coverage and 7+ weeks of paid time off
